

The steel bridge over the Oder River in Krosno Odrzańskie. The bridge was fabricated at Georg Beuchelt's works in Grünberg (presently Zielona Góra).

### Conference language

English is the official language of the conference.

### Call for papers

Two pages extended abstracts and eight pages full papers should be submitted to organizers. Authors should register themselves earlier using EasyChair system. Guidelines for authors can be found on the conference web site: [www.icms2016.uz.zgora.pl](http://www.icms2016.uz.zgora.pl).

### Proceedings

Two pages extended abstracts and keynote lectures will be printed in the hard-cover proceedings volume. The publisher will be CRC Press / Balkema, Taylor & Francis Group. CD-ROM with all papers will be attached to this book. The qualified papers will be published provided that at least one of co-authors will take part in the Conference. Participants will obtain the conference book on arrival at the Registration Desk in the Conference venue.

### Key dates for participants

Registration and preliminary abstract submission: 28.02.2015  
 Preliminary abstract acceptance notification: 30.06.2015  
 Second announcement: 31.07.2015  
 Full paper and two pages abstract submission: 31.08.2015  
 Full paper final acceptance notification: 30.11.2015  
 Early bird fee payment: 31.12.2015  
**Conference: 15-17.06.2016**

### Venue

The event is organized at the University of Zielona Góra by the Faculty of Architecture, Civil and Environmental Engineering, Institute of Building Engineering. The conference will be held on Campus A of the University in Szafrana Street no. 1. The place is located near the town centre. More information about the University on the website: [www.uz.zgora.pl](http://www.uz.zgora.pl).

University of Zielona Góra - the main building of the Faculty of Architecture, Civil and Environmental Engineering on the Szafrana Street no. 1.

### Conference fees

	Early bird payments (before 3.12.2015)	Payments after 31.12.2015
Regular Participants	300 €	350 €
Young Engineers*	250 €	300 €
Accompanying persons	60 €	60 €

\*) for participants born in 1981 or later  
 Please note that registration fees include 23% VAT.

The registration fee include:

- Regular Participants/Young Engineers:
  - ♦ admission to all sessions,
  - ♦ final program and proceedings volume with CD ROM,
  - ♦ lunches and coffee breaks,
  - ♦ welcome dinner on June 15,
  - ♦ banquet dinner on June 16,
  - ♦ farewell toast on June 17.

Accompanying persons:

- ♦ welcome dinner on June 15,
- ♦ banquet dinner on June 16,
- ♦ farewell toast on June 17.

The registration fee does not cover:

- ♦ accommodation,
- ♦ meals, drinks and transport other than that provided as part of the conference program.

# XIII INTERNATIONAL CONFERENCE ON METAL STRUCTURES

15-17 June, 2016, Zielona Góra, POLAND

## SECOND ANNOUNCEMENT AND CALL FOR PAPERS

### Organized by:

Section of Metal Structures of the Committee for Civil Engineering of the Polish Academy of Sciences (SMS CCE PAS)  
 University of Zielona Góra, Faculty of Civil and Environmental Engineering, Institute of Building Engineering

### Co-sponsored by:

### Under the auspices of:

President of the Committee for Civil Engineering of Polish Academy of Sciences  
 President of the Polish Chamber of Steelworks  
 President of the Polish Chamber of Civil Engineers  
 President of the Polish Association of Civil Engineers and Technicians  
 Rector of the University of Zielona Góra  
 Marshall of the Lubuskie Province  
 Voivoda of the Lubuskie Voivodeship  
 President of Zielona Góra

## ICMS'2016 SCIENTIFIC COMMITTEES

Jerzy Ziółko, Honorary Chairman  
and Honorary Chairman of SMS CCE PAS  
Marian Giżejowski, Chairman  
Aleksander Kozłowski, Vice-chairman  
Jakub Marcinowski, Vice-chairman

## CONFERENCE SESSIONS

It is expected that the debate will be held on plenary and thematic sessions. Every plenary session will start with the keynote lecture. The following keynote lectures will be delivered by distinguished professors:

1. J. Michael Rotter: Advances in understanding shell buckling phenomena and their characterisation for practical design.
2. Milan Veljkovic: Supporting structures for wind converters.
3. Jiang Qian: Advances in seismic assessment of steel-concrete composite high-rise buildings and engineering practices.
4. Johan V. Retief: Harmonisation and Unification of Structural Standards on the Reliability Basis of Design.
5. Tomasz W. Siwowski & Krzysztof Żółtowski: Recent steel and composite structures in Poland – the most spectacular projects.

All papers qualified by members of scientific committee will be orally presented at thematic sessions.

Current information about the Conference on the website: [www.icms2016.uz.zgora.pl](http://www.icms2016.uz.zgora.pl).

## The event is supported by:

Rector of the University of Zielona Góra,

President of Zielona Góra

Voivoda of the Lubuskie Voivodship

University of  
Zielona Góra

Lubuskie Voivodship

Marshall of the Lubuskie Province
